REISSUE APPLICATION DECLARATION BY THE INVENTOR

Docket Number (Optional)
0756-2204

As a below named inventor, I hereby declare that:

My residence, mailing address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed in patent number 5,798,746 granted August 25, 1998, and for which a reissue patent is sought on the invention entitled LIQUID CRYSTAL DISPLAY DEVICE

the specification of which

is attached hereto.

was filed on 08/25/00 as reissue application number 09 / 648,153
and was amended on _____

(If applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

by reason of a defective specification or drawing.

by reason of the patentee claiming more or less than he had the right to claim in the patent.

by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening:

During a recent review of the patent, the Applicant discovered that the patent does not include claims that are directed to a method of operating the disclosed active matrix display device even though the specification makes it clear that the invention was intended to include this method.
